Dear Friends in Christ,

Marriage has existed in some form in every society from the beginning of the human race. Moreover, marriage is not created by governments, it is merely recognized by them, and in the same way that no judge or legislature can make two plus two equal five, no government can remake what it did not make in the first place. This is among the many reasons why the effort to acknowledge the sexual friendship of two men or two women as a “marriage” is a fatuous exercise of irrationality enforced by state power – the very definition of the dictatorship of relativism. Having said that, most of the Western world has now accepted the possibility of legal partnerships for citizens of the same sex, which is why Christians must take great care to understand that the word “marriage” is now used to describe at least three completely different realities.

The first meaning of marriage is the natural bond between one man and one woman that leads to the procreation of children. This natural form of marriage is based on the sexual difference and complementarity of the spouses, and our sacred liturgy describes this form of marriage as the one blessing that was not forfeited by original sin or washed away in the flood. The natural bond of marriage is entered by people of all religions and no religion, and every nation and culture depends for survival on the strength of such marriage.

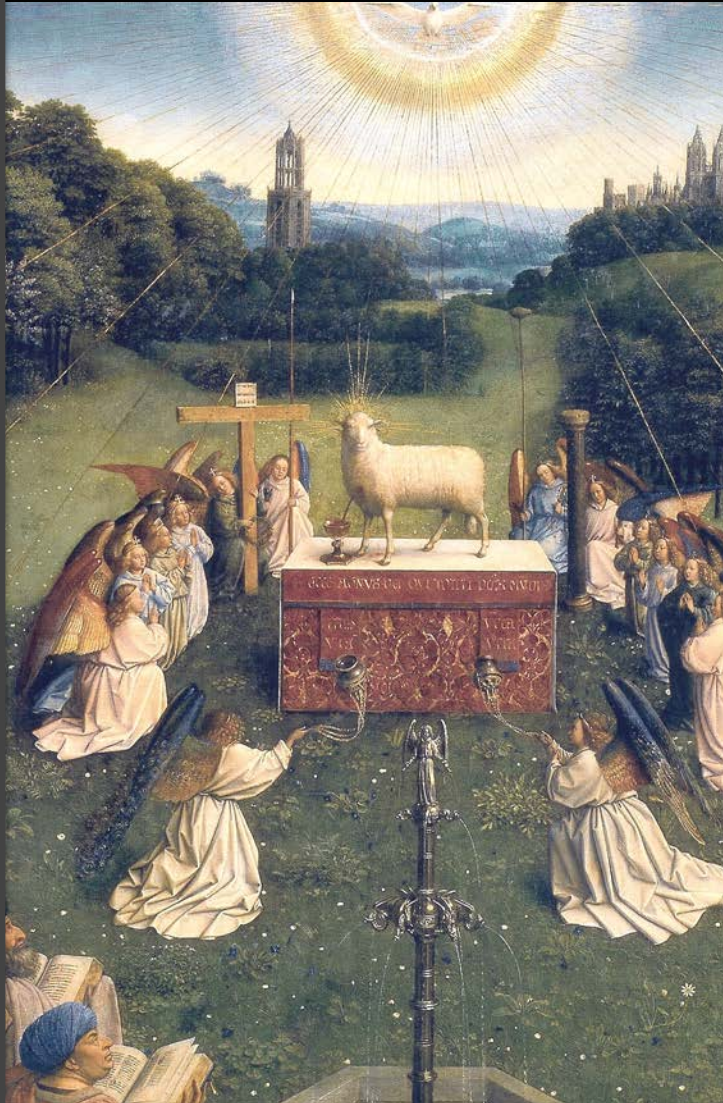

The second meaning of marriage is the supernatural sacrament of matrimony given by the Lord Jesus to his disciples. Christ took the natural bond of marriage and raised it to the dignity of a sacrament, and by so doing he was able to restore the original meaning of marriage that was obscured by sin – an exclusive and indissoluble bond between husband and wife which endures as long as both shall live. When two baptized Christians exchange the consent of marriage, they administer to each other the sacrament of matrimony, and for Catholics, this exchange of consent must take place in the Catholic Church. If a Catholic person or couple exchanges consent outside of the Church, then there is no sacrament of matrimony, and being married in this way places the Catholic party in a condition of impaired communion with the Church, unable to receive Holy Communion or go to Confession except in danger of death. Such invalid marriages, however, can become the sacrament of matrimony by the renewal of marital consent in the Church, provided that both parties are free to marry in the Church.

The third meaning of marriage is a partnership recognized by civil law, and now that civil law recognizes as marriages both remarriage after divorce and same sex friendships, the very concept of civil marriage is so attenuated as to be almost meaningless. Civil marriage has been re-imagined to mean any private sexual friendship that is publicly registered, and no Catholic should ever confuse these three meanings of marriage. To live in the true covenant of Holy Matrimony, Catholics must be married in Christ and his holy Church.

THE MYSTERY OF REDEMPTION AND CHRISTIAN DISCIPLESHIP

This course examines man's need for redemption after the fall; the promise of redemption renewed throughout the Old Testament; and the Redemption achieved by the Passion, Death, and Resurrection of Jesus Christ, as well as its application in the life of each Christian. It also shows how the Holy Mass is a perpetuation of the Paschal Mystery in our lives.

THE SACRAMENTS: SOURCE OF OUR LIFE IN CHRIST

Through his great love for us, Jesus Christ suffered and died for our redemption, and he desires to share the grace he won for us with every person. Christ entrusted the sacraments to the Church as the primary means by which we receive God's grace. This course examines each sacrament as a source of grace and an intimate encounter with Jesus Christ and the liturgy as the public worship of the Church.

INTRODUCTION TO CATHOLICISM

Starting Wednesday
9 September @ 6.30 pm
in Sacred Heart Hall

Interested in becoming a Catholic?
Or just want learn more about what Catholics believe?

Introduction to Catholicism is an introduction to the beliefs and practices of the Catholic Church, and anyone who wants to understand the Catholic Faith more deeply is invited to participate. This course meets each Wednesday evening from Labor Day until Easter. Those who have never been baptized, those who were baptized but never confirmed, and those simply seeking to know more are all welcome to attend.

While this course is first and foremost a process for bringing non-Catholic adults into the Church, it is also a great place for practicing Catholics to increase their knowledge of foundational Church teaching - in particular on those topics that often come up in conversations with non-Catholics. One practical thing that any parishioner could do to evangelize would be to invite a non-Catholic friend who might be interested in learning what the Catholic Church really teaches to join you in attending when the class begins in the fall.

The Year of Faith

School Spotlight New Faculty

We are excited to be welcoming three new teachers this year!

Mr. Jeffrey Gordon has been a parishioner at St. Mary's for 10 years, along with his wife and four children. He has been a high school teacher for 23 years, 12 years at a Catholic high school in Florida and then in public schools. For the last 7 years he has been a well-loved teacher at Travelers Rest High School. This year, he will teach middle school social studies and 6-7 grade religion; he will be in charge of 7th grade homeroom.

Mrs. Pamela Bloom has been teaching band, orchestra, and general music classes for the past 8 years, directing student musicians at Prince of Peace, OLR, St. Paul's, and, this past year, at St. Mary's (all four schools at the same time!). Mrs. Bloom is not only experienced, but very enthusiastic and full of initiative. Next year she will not only teach our music classes and direct band, but she will also offer a strings program, choir, and other instrument ensembles.

Sister Karol Marie Zachman, O.P. is originally from Minnesota and entered the Dominican Sisters of St. Cecilia in 2005 after earning degrees in Elementary Education with a mathematics endorsement and Catholic Studies from the University of St. Thomas in her home state. Sister Karol Marie has been teaching for the past ten years at a variety of grade levels, but confesses to a special love for the intermediate grades, and is excited to join St. Mary's next year as our teacher for Grade 5.
