14 August 2016

Dear Friends in Christ,

In my entire life, I have never had surgery or spent even one night in a hospital, but my turn has come. I have a naturally occurring bone spur in my right shoulder which in the past couple of years has grown large enough to damage the rotator cuff, and for the last eighteen months or so, I have known that something would have to be done about it to prevent the damage from becoming worse. So, in the first week of October, I will have surgery to reduce the bone spur and repair the rotator cuff, and then I might or might not spend one night in the hospital before going home. The procedure is relatively simple and routine, but the recovery is not. For about six weeks my right arm will be immobilized while the rotator cuff heals, and during that time I will be unable to do many ordinary things, including the celebration of Mass. And so with the help of our parish staff and my brother priests and deacons, I have made a plan to deal with this nuisance.

During the months of October and November, we will not have the noon Mass at St Mary's on weekdays, but that is the only major change in our schedule. Father Duncan has very graciously agreed to take my place on Saturday afternoon for Confessions and the 5 pm Mass and on Sunday morning for the 11 am Mass. He will also continue to hear Confessions during the Wednesday afternoon Holy Hour, with the single exception of 12 October when the Holy Hour will be canceled. Father Bart and Father Cruz will celebrate the weekday Masses at 7 am and funeral Masses at noon on weekdays as needed, and the weekend schedule will remain the same as ever.

Also during October and probably for much of November, I will not be accepting appointments in the parish office. I do not know how soon after the surgery I will be able to drive, and even after I am able to get around a bit, I will still have significant restrictions on my activity. As soon as I am able to move about, I will begin to say Mass for you in the chapel of the rectory, and I hope in due course to be able to come sit in the sanctuary during the celebration of Sunday Mass, even though I will be unable to lend a hand. I will also stay in touch with our school principal and the parish clergy and staff by phone and email, so I will not be far away even while I am largely confined to the rectory.

I'm letting everyone know about my surgery so far in advance precisely to minimize the inconvenience to others. I will continue to have appointments during August and September, and everything essential will be taken care of by someone. As you all know, I am not a patient man, and given the robust good health I have enjoyed for all of my life, I have little experience being a patient. How curious that until now I had never thought of the linguistic connection between those words! But my time has come, and one way or another I am going to learn to be patient by becoming a patient. Thanks in advance for your patience with this little disruption to our routine.

Father Newman

ROMAN CATHOLIC
**DIOCESE
OF CHARLESTON**

OFFICE OF THE BISHOP

July 2016

Dear Brothers and Sisters in Christ,

As you are aware, the Office of Youth and Young Adult Ministry in the Diocese of Charleston exists to draw young people to responsible participation in the life, mission, and worship of the Catholic Church. Our team does this with passion and purpose. Every day, they seek to achieve the goal of encouraging, equipping, and affirming youth leaders and the young to encounter the risen Jesus. Attendance at our youth conferences is at capacity; participation in our programs continues to grow. Yet, there is an underlying belief that there is more work that can be done to impact our youth.

I am pleased to report that, beginning in August, our own Diocesan Missionary Team will begin training in Charleston in preparation for a September rollout. Through retreats for our parishes and Catholic schools, the team will assist our youth and campus ministers in their evangelization efforts. The DMT will serve as a dynamic tool that will allow us to fulfill St. John Paul II's mandate for a new evangelization in a very powerful and tangible way. It is my belief that the DMT will radically challenge and encourage our youth to embrace the life and mission of the Catholic Church.

On August 14, 2016 through second collection efforts, our parishes will have the opportunity to help fund some of the excellent programming offered through the Office of Youth and Young Adult Ministry. 50% of the funds collected will be used to offset the start-up costs of the DMT program. The other 50% will be used to provide scholarships for youth to attend programs such as the Diocesan Youth conferences, retreats and summer camps who otherwise might not have the opportunity due to financial constraints.

I would encourage every parish to offer information the week prior to the collection to ensure its success. This may be accomplished through bulletin inserts (see attached) or by allowing a youth minister or advocate for youth ministry to speak briefly before mass begins or during announcements.

I am immensely proud of the work that has been done by the Office of Youth and Young Adult Ministry. Please prayerfully consider supporting the second collection effort to allow them to continue to do the important work that they do.

In the Lord's Peace,

Most Reverend Robert E. Guglielmo
Bishop of Charleston

INTRODUCTION TO CATHOLICISM

What is Catholicism?

Is the Catholic Faith in the Bible?

Did the Lord Jesus found the Catholic Church?

Our course called *Introduction to Catholicism* is designed to answer these and many other questions about the origins of Catholic Christianity and the shape of Christian faith and life within the Catholic Church.

The classes meet on Wednesday evenings from 6.30 to 8.00 pm from Labor Day through Easter, and all are invited to come and discover what it means to be a disciple of the Lord Jesus in His holy Catholic Church.

You may register by contacting Dana Williamson at dana37@aol.com, or see the parish website at stmarysgvl.org/catechesis/becoming-catholic

Evensong in the Anglican Tradition Sunday 14 August at 5 pm

After the Holy Eucharist, the most important form of Christian prayer is the Liturgy of the Hours, also called the Divine Office. In the Roman form of the Divine Office there are two liturgical Hours for the evening: Vespers and Compline. In the 16th century Book of Common Prayer, these two Hours were combined into one celebration called Evensong, and this beautiful way of praying is part of the Anglican patrimony preserved in the Catholic Church by the Personal Ordinariates for Catholics from the Anglican tradition. The Community of St. Anselm's is offering this splendid opportunity of liturgical prayer to everyone at St. Mary's and in the wider community. Please join us at 5 pm and bring a friend for Evensong.

2016 Catholic Young Adult Leadership Training:

'Go and Bring Christ to the World!'

19-21 August @ the Diakonia Retreat Center

'Go and bring Christ to the world!' A rephrasing of 'The Great Commission' (Matthew 28.16-20), was a lasting reminder and call to Swiss Guards as they retired from their posting under the papacy of Pope St. John Paul II. This mission, to bring the message of Jesus Christ to the world, has fueled and engulfed the hearts and minds of Christian disciples for over two thousand years.

In a world seeking to know the true love of Jesus Christ, the role and witness of the Disciple is greatly needed. As baptized and confirmed members of the Body of Christ, we are equipped with the graces needed to bring this message of peace, love, and mercy to humanity. Join young adult leaders from across the Diocese as we re-equip ourselves to answer the Great Commission, and go into our homes, work places, parishes, and communities to go and bring Christ to the world.
