Dear Friends in Christ,

The Great Recession of 2008 brought the developed world to the brink of financial ruination, and although in the past eight years some progress has been made in restoring the fiscal health of the West, one economic indicator remains stubbornly stuck at historic lows. Instead of the robust growth rates of 4% or more that were the norm since World War II and the despite the frantic efforts of central banks to stimulate growth, we remain stuck with growth rates of about 2%, and this is one reason why so many Americans have not experienced any real recovery from the recession.

Experts in the “dismal science” of economics offer many explanations for our stagnation, and it is admittedly difficult to identify all of the forces at work in a global economy. But one of the most important reasons why we are frozen with longterm anemic growth is seldom acknowledged in public because it is taboo to do so. The simple truth is this: Europe and the United States are missing over two hundred million people, and because they are not here to live and study and work and play and buy and build and pay taxes and marry and have children who go on to do the same, our economies are sputtering.

And where are those missing people? They are dead. They were murdered in the womb. Or they were never conceived because their parents wanted the transitory pleasure of one moment without the “burden” of new human life. To put it simply: we are contracepting and aborting ourselves into decline and poverty because as a civilization we do not value human life for its own sake.

Given the nature of contraception, there is no way to know exactly how many more of us there would be if the contraceptive mentality had not convinced nearly our entire civilization that children are an undesirable burden to be avoided if possible, until and unless - of course - one decides that having a child would be personally fulfilling. And then making that child for one's own satisfaction justifies any measure, including fertilizing dozens of embryos (most of whom will remain frozen until they are thrown in the garbage or subjected to laboratory experiments) or renting the womb of another woman or purchasing the seed of a man known only as the donor.

But if it isn't possible to know for certain how many children were never conceived, it is possible to know how many have been murdered. Since 1973 the butcher's bill now passes 60 million in the Land of the Free and the Home of the Brave, and in Europe the number of tiny corpses is more than twice our count. We aren't growing because we are murdering ourselves.

When you cast your ballot on Tuesday, think on those who are not here, and speak for the dead.

SUPPORT THE
Solidarity Fund for the
CHURCH IN
AFRICA

Dear Brothers and Sisters in Christ,

The people of Africa are joyous and faith-filled, but they also often face challenges due to poverty, the high incidence of disease, food shortages, and migration. The Church in Africa journeys with people gifted with a vibrant spirituality and is a source of hope and faith. The Solidarity Fund for the Church in Africa supports pastoral projects that foster lasting peace and reconciliation in a continent often marked by division and tension. Pope Francis challenges us: "Touched by Christ's infinite mercy, may all the faithful be signs of the reconciliation, justice and peace that God wills for . . . all of Africa" (April 16, 2015).

With so many people in Africa on the move, providing pastoral care to meet their spiritual needs is often difficult. In Angola, this is true for migrant and refugee communities as well as people whose livelihoods keep them moving, such as fisherman and truck drivers. Creating fellowship among various groups, ethnicities, and tribes is crucial in order to avoid tribalism, discrimination, and even racial violence.

To address these needs and foster growth in the communities, and with a grant from the Solidarity Fund for the Church in Africa, the bishops are providing training and formation for lay leaders in every diocese. These leaders attend seminars and workshops that equip them to return to their communities to welcome immigrants and help them find a home in local parish communities. After attending a seminar, one participant expressed his gratitude, saying, "Thank you for yet another moment of grace."

With your help, the Church in Africa can continue to play an active role in the evangelization of the world. Projects like this one care for the spiritual needs of the African people, allowing Africans to continue giving the world their vibrant expression of faith. Please give generously to the Solidarity Fund for the Church in Africa.

In the Lord's Peace,

Most Reverend Robert E. Guglielmo
Bishop of the Diocese of Charleston

4th Grade - Pumpkin Book Report

Mrs. Sawicki's 4th grade students had a chance to show off their artistic and academic skills in a pumpkin book report project. Students designed and decorated a pumpkin based on the main character of a book they chose. They then presented their book report to the class through the eyes of the main character.

SMS Pride Pumpkin Contest

Congratulations to the Gevaert Family! They won the school wide pumpkin carving contest. Follow St. Mary's Catholic School on Instagram and Facebook to see all the wonderful submissions and to stay up to date with fun school announcements.

St. Mary's 101 - Songs in Morning Assembly

On Friday mornings, students at St. Mary's sing two songs during morning assembly: *The Star Spangled Banner* & the *Salve Regina*.

Francis Scott Key was inspired to write *The Star Spangled Banner* when he saw the American flag flying triumphantly over Fort McHenry in 1812 after a bombardment by the British Navy. His poem was quickly set to music, and, in 1931, it was adopted as our national anthem. By singing this in morning assembly, we hope to instill in our students pride for our country.

The *Salve Regina* (known in English as the *Hail, Holy Queen*) is a popular prayer & hymn addressed to the Virgin Mary. Written about 1,000 years ago, this chant is sung in Latin on a daily basis all over the world. We sing this hymn to honor Mary, the patron Saint of our school, and to familiarize our students with this beautiful tradition of the universal Church. It is amazing at worldwide gatherings of Catholics when people from all over the world know the same song in the same language! The following [YouTube link](#) goes to a rendition of the *Salve Regina* with Latin and English subtitles.

Meeting in the Middle Pumpkin Contest

Our middle school students decorated their team pumpkins and hosted our annual Meeting in the Middle Pumpkin Contest. Pumpkins were on display in the cafeteria during the last week of October, and all students had an opportunity to vote on them with a monetary donation during lunch. They raised over \$600 to benefit SC Hurricane Matthew victims. Congratulations to team Blue Moons for the winning pumpkin.
