

# St. Mary's Catholic Church

Greenville, South Carolina

19 March 2017

Dear Friends in Christ,

The first principle of Evangelical Catholicism says that “the Lord Jesus is the crucified and risen Savior of all mankind, and no human person can fully understand his life or find his dignity and destiny apart from an authentic friendship with the Lord Jesus. It is not enough to know who Jesus is; we must know Jesus.” This last distinction is crucial for a life of genuine discipleship. It is possible to know who Jesus is – for decades – without ever really knowing Jesus, and those who merely know who he is cannot be participants in Christian faith and life; they are spectators only. But how do we come to know him? How can we have an authentic friendship with the Lord Jesus?

The Savior himself gives us the answer to these questions in his teaching recorded in Chapter 15 of the Gospel of John. The scene is the Upper Room at the Last Supper, a setting which gives special urgency to the words of the Lord Jesus: “As the Father loves me, so I also love you. Remain in my love. If you keep my commandments, you will remain in my love, just as I have kept my Father’s commandments and remain in his love. I have told you this so that my joy may be in you and your joy may be complete. This is my commandment: love one another as I love you. No one has greater love than this, to lay down one’s life for one’s friends. You are my friends if you do what I command you. I no longer call you slaves, because a slave does not know what his master is doing. I have called you friends, because I have told everything that I have heard from my Father. It was not you who chose me but I who chose you and appointed you to go and bear fruit that will remain.” (John 15.9-16)

The Lord Jesus calls us his friends because he has told us everything given to him by his Father. This is the supernatural gift of divine revelation – the Gospel which is the power of God unto salvation for all who believe. When we receive this sacred teaching with the obedience of faith, then we are strengthened by grace to love one another in the truth and to keep the commandments, not as an effort to earn a place in God’s kingdom but as a consequence of our having been made a new creation by the grace of Baptism, a grace that is renewed every time we go to Confession and worthily receive the Most Holy Eucharist.

As with any friendship, our friendship with Christ deepens over time as we come to know the Holy Scriptures more thoroughly, as we learn to pray more devoutly, as we seek to serve those in need with greater charity, as we acquire a Christian view of the world more completely, and as we surrender ourselves in love to Christ and his Church with greater conviction. During these 40 Days, as we prepare to renew the promises of our Baptism when we celebrate the Passover of the Lord, this deepening of our friendship with the Lord Jesus should be our constant goal and guide, and that, in turn, prepares us to fulfill the eighth principle of Evangelical Catholicism: “All the baptized are sent in the Great Commission to be witnesses of Christ to others and must be equipped by the Church to teach the Gospel in word and deed. An essential dimension of true discipleship is the willingness to invite others to follow the Lord Jesus and the readiness to explain his Gospel.”

Father Newman

Dear people of St. Mary's,

Praised be Jesus Christ! Although I have been gone for four (4) years at Aquinas College in Nashville, TN, St. Mary's is my home parish and I am excited to tell you that I have been accepted to the Dominican Province of St. Joseph. In seven years, God willing, I will be ordained a Dominican friar. As a son of St. Mary's, this parish was the fertile ground where my vocation grew, and now I am ready to take the active step of entering formation for the Dominican Order.

However, I need your help. I cannot enter the novitiate without first resolving my student loans. It turns out that this is a common problem in our country, and that almost half of the 10,000 candidates for priesthood and religious life are in the same situation. In order to not only enter formation myself but also support others like myself, I have joined the Labouré Society, an organization whose sole purpose is to help candidates overcome student debt and enter formation in their respective communities. I am inviting you to invest in my vocation and that of my 23 classmates as we undertake a six month fundraising campaign across the country.

I look forward to visiting the parish on March 19 and personally asking for your support!

Wil Bernhard

Please join us at 6.30 pm on Thursday 30 March to watch Mel Gibson's "The Passion of the Christ." This extraordinary film, released in 2004, is a dramatic tour de force that places the audience in the midst of the suffering and death of the Lord Jesus, and many lives have been opened to God's grace by sharing the experience of this film.

We will gather in Gallivan Hall to watch this movie on our newly installed digital projector and large screen which rival a cinema experience, and at the end of the show, we will have a discussion of the film to explore its theological and spiritual dimensions.

**Because of the intensity of this film, no one under 16 will be admitted.**

- 2nd: Educating Priests in the Missions

*St. Mary's is sustained by the generosity of our parishioners.  
Thank you for your generosity and support.*

### Special Collection on 18/19 March Educating Priests in the Missions

The Church needs priests to preach the Gospel and celebrate the sacraments, and the cost of educating priests can be a heavy burden on dioceses with limited resources, particularly in mission territories like Africa and Asia. The Holy Father asks that dioceses in the developed world provide financial help for the education of priests in the Missions, and we will be taking a second collection in Lent to do our part. On the weekend of 18 and 19 March, everything donated in our second collection will go the Society of St Peter the Apostle, the Church's official fundraising body for the training of clergy in the missions. Thank you for your generosity.

## St. Mary's 101 - Meeting in the Middle

In Fall of 2004, St. Mary's School introduced Meeting in the Middle. This program encourages collaboration among students in different grades to promote respect, peer/teacher relationships, and cooperation/teamwork. Meeting in the Middle provides our middle school students with the opportunity to build relationships across class boundaries. Our students enjoy community building activities such as service projects, leadership development, and games that develop an appreciation of diversity and cohesiveness.

At the beginning of each school year, sixth, seventh, and eighth grade students are mixed and divided up into four teams. These Meeting in the Middle teams kick off the school year with a party. The teams compete in the annual pumpkin decorating contest, enjoy a Christmas breakfast, and create Valentines for Veterans. They also work with elementary students on different activities through the buddy program.

Team Day was on Tuesday. Coach Willis Holliday came down from North Greenville College to speak to the students about making good decisions through middle school and into high school. His talk also touched on the topic of bullying. Teams competed in several athletic activities throughout the day: free throw, layups, dodge ball, and kick ball.

## Class Feature - Invention Convention

The 5th Grade class was challenged to identify a problem and to create a working solution that no one has already invented. They took the challenge by storm! From December through March, the students researched ideas for their invention, created either working prototypes or models, surveyed other people, and made improvements to their inventions.

Do you have a very long driveway that you have to haul your garbage? Want to be able to play music no matter where you are? Tired of your dog leashes getting tangled during your walks? Gotten paper cuts or found it difficult to flip the page of a book? The 5th Graders designed and created an invention for these and many more problems that we face in our every day lives. On Monday 6 March they presented their inventions to judges and answered on-the-spot questions about their inventions.
