## Greenville, South Carolina

18 January 2026

Dear Friends in Christ,

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness." But when Thomas Jefferson wrote those immortal words in the summer of 1776, these truths were far from self-evident to most of the human race, and demonstrating their truth is among the main purposes and foundational principles of the nation to which the Declaration of Independence helped give birth.

On 4 July 2026, the United States of America will celebrate the 250th anniversary of our Independence Day and the 200th anniversary of the deaths of two of our Founders: John Adams and Thomas Jefferson. In the six months between now and that national celebration, I encourage everyone to learn more about the American Revolution and the intellectual, moral, and political movements that gave shape to what John Adams called "the most complete, unexpected, and remarkable (revolution) of any in the history of nations." There are many books, documentaries, and entertaining films available, including:

"John Adams" is a magnificent biography of our second president by David McCullough, and HBO made a splendid television series by the same name which dramatizes the events leading to the Revolution and the first years of our new Republic.

Rick Atkinson has written two of three planned volumes on our founding. The two already published are "The British are Coming" and "The Fate of the Day," and his third volume is still being written. These two books are a deep dive into the causes, means, and effects of the War for Independence, and Atkinson appears many times in the new documentary by Ken Burns called "The American Revolution" available for streaming from several sources.

A lighter note can be found in the wonderful film called "1776" which was released in 1972 and is based on a Broadway musical. It is a fictional account of the events leading up to the Declaration of Independence, but it is faithful to the main facts of those dramatic days and provides a sense of the dangers and possibilities faced by our new nation.

Robert Reilly wrote "America on Trial: A Defense of the Founding" as an intellectual history to defend the origin and structure of our Republic from critics on both the Left and the Right who misunderstand what the American Revolution accomplished and how it is different from other revolutions, including the French Revolution.

Come July 4th, let us be prepared for a worthy celebration of our 250th Independence Day.

Did the Lord Jesus found the Catholic Church? *An Introduction to Catholicism* is designed to answer these and many other questions about the origins of Catholic Christianity and the shape of Christian faith and life within the Catholic Church. **It is also the perfect course for any Catholic who has non-Catholic or fallen away family members or friends, and wish to be able to better explain the Church's teachings.** All are invited to come and discover what it means to be a disciple of the Lord Jesus in His holy Catholic Church.

Classes for Easter 2026 meet at 6.15 pm on Wednesdays in McGrady Hall (church undercroft).

## Offertory Envelopes and the Sacraments of Baptism, Confirmation, and Marriage

If you no longer receive weekly stewardship envelopes in the mail, you may have been marked as **Inactive** within our parishioner database. No matter how often you come to Mass at St Mary's, you are not considered an **Active** member of the parish unless you are registered here, attending Mass here each Sunday, and using the stewardship envelopes to fulfill two separate purposes: a) making your offertory contributions and other gifts, and b) establishing an attendance record.

### Active member status in our database is essential for requesting the following:

- ◆ Parishioner tuition in the school
- ◆ Endorsement to serve as a sacramental sponsor for Baptism or Confirmation
- ◆ Baptism, Confirmation, or Marriage (for oneself or for one's children, either here at St Mary's or in another parish)

If you use electronic transfer to make your offertory contribution and other gifts, simply check the box for EFT on the empty envelope and then drop it in the collection plate. All envelopes in the collection are recorded in our parish database.

Once six months elapses without any envelopes or online donations received, the account is marked as **Inactive** and envelopes are no longer distributed. To begin receiving stewardship envelopes again, please email Sarah Perkins at [sarah.perkins@smcgvl.org](mailto:sarah.perkins@smcgvl.org).

## Baptism Class

Prior to having a child baptized at Saint Mary's, you must have been registered in the parish for at least six months, attending Sunday Mass each week, using the stewardship envelopes, and participating in the life of the parish. Baptisms take place on Saturdays at 6.15 pm after the 5.00 pm Mass. Attending a Baptism Preparation Class is required and may be attended prior to the birth of your child. **The next class is Monday 16 March at 6.30 pm.** Contact Patrick Ford at [patrick.ford@smcgvl.org](mailto:patrick.ford@smcgvl.org) to register.

## Spiritual Direction

St Mary's has three certified Catholic Spiritual Directors available for individual spiritual direction. Contact Deacon Tom Whalen at [thomas.whelen@smcgvl.org](mailto:thomas.whelen@smcgvl.org).

# Keeping Children and Teens **SAFE ONLINE**

Computers and mobile devices can be helpful tools for children and teens to learn and grow in faith and fellowship. Unfortunately, the digital world is also full of unsafe and explicit content. You wouldn't hand a teen the car keys without first teaching them how to drive. The same should be true for using technology—teach them how to keep themselves and others safe while using it.

**You can use the following tips to better protect young people from harm online:**

**1 Model appropriate online behavior for young people.** Children look to their parents to teach and show them the ways to appropriately use technology. The biggest influence on what children see as acceptable or unacceptable is you.

**2 Teach your children not to share private information or images online.** Strangers posing as online friends can try to gain the trust of minors. Personal information such as name, address, and phone number should never be shared with an unknown person. Tell your children to immediately tell a trusted adult if anyone makes them feel uncomfortable.

**3 Limit usage of computers and mobile devices to public spaces in the home.** Not only will this help to prevent young people from accessing unsafe websites, it will also help them to develop safe browsing habits later in life.

**4 Install software that can block or monitor explicit website use.** Open access to harmful websites, like those that include pornography, is a constant threat to

young people. Website filters can prevent access to harmful and explicit sites and some can even alert you when such a site is accessed.

**5 Review and discuss the websites your child has visited and apps they have used.** Oversight of your child or teen's browsing history and app usage can help to keep them safe online. If you notice your child has browsed an unsafe website or app, discuss why that behavior is harmful. Learn about current apps that could be harmful to children and teenagers, especially those that involve image sharing, private communication, or the illusion of privacy.

**6 Report online exploitation of minors to public authorities.** If you become aware of explicit content involving minors, such as solicitation, explicit images or videos, you should submit a report to law enforcement or through resources like CyberTipline from the National Center for Missing and Exploited Children.
